pointed a committee to drait resolutions expressive of the teelings of the corps, on the death of their late committee, the collings of the corps, on the death of their late committee, the collings of the corps, on the death of their late committee, the committee subsequently presented the following report, which was unanimously adopted:—

The Light Guard, having received the melanched intelligence of the death of Coh. Edward Vincent, regard it as no more matter of form, but an imperative duty, to express their deep and unishingly as a limberative duty, to express their deep and unishingly as a command and friend, then an officer and coleared as a command and friend, then an officer and coleared as a command and friend, then an officer and coleared as a command and friend, then an officer and endeared as a command and friend, then an officer and endeared as a the past members, had regarded as identified with the interests and name of the Light Guard, which he had done so much not only to organize, but to elevate to its social and military position.

Resolved, That the many virtues of Col. Vincent had endeared him not only to us, but to all with whom he was brought in contact, uniting as he dismilliary capacity, energy and irruness of character, and an ambility and kindness which drew all to him.

Resolved, That the insuliness of our late commandant was so blended with goatleness, couriesy and charity, that we believe we may truly asy, he died in peace with all the world and let no enemy behind.

Resolved, That to the afflicted relatives we tender our warn and sincere sympathics in their becaverment.

Resolved, That to the afflicted relatives we tender our warn and sincere sympathics in their becaverment.
